## **BUDDY PROGRAM:**

YES

The Buddy Program is designed to create a mutual learning opportunity for new international students and Unifor students. It consists of a team of Unifor students who volunteer their time as mentors. They will help you adjust to the university and the city environment. The Buddy Program is a great opportunity for educational and cultural exchanges to take place throughout the exchange period.

You will be assigned to someone whom will contact you by email before the beginning of the semester. This person will be your mentor and will help you in your adaptation process in Fortaleza and at Unifor.

## Are you interested in participating in the Program?

NO

Please write here a little about yourself and what you expect from this experience:						

Please write here if you have any specification for your buddy partner:

With this Application Form, I'll also send the following documents:

- A letter of intent
- · An updated transcript outlining the completed studies at your university
- Curriculum Vitae
- Photocopy of your passport: with your photo and passport number
- Photocopy of your Health Insurance Policy
- 3 photos 3x4 with a WHITE background
